

Light Up Night Information

You are receiving this note because your student has signed up and practiced for a brief performance opportunity alongside their peers. Thank you so much for supporting your SRAE student in their participation at Slippery Rock Light UP Night 2022!

If you have any questions about the schedule on this paper, PLEASE feel free to reach out to me via greer_wardlaw@slipperyrock.k12.pa.us !

I am excited to share this opportunity (and my first SR Light Up Night) with your students.

 Light Up Night 2022 will be on **SATURDAY, NOVEMBER 19th**. We are scheduled to perform our carols by Ginger Hill Christmas Tree at **4:30 PM**, prior to Santa lighting the tree.

 I ask that you bring your student to the Parking lot on E Cooper St, Slippery Rock, PA 16057 (beside the McKay Education Building) at **4:10 PM**

 This will be within walking distance of our performance location, but will give us a safe area to practice and organize. You are more than welcome to stay with the group and walk with us to the tree.

 **PLEASE MAKE SURE THAT YOUR STUDENT IS DRESSED APPROPRIATELY FOR THE WEATHER!** We will be outside for a minimum of 45 minutes, regardless of the weather (within reason).

Please consider our **REMIND APP** class in the event that I need to send a sudden update:

Our class code is **SRAEMU**

Thanks bunches!
Miss Greer Wardlaw
