

4th Grade Recorders in Music Class

Hello, 4th Grade Parents/Guardians!

I have enjoyed working with your students over the past few weeks, and now I am excited to introduce wind instruments to their musical curriculum. Recorders are a great way to get students used to instruments before starting band in 5th grade, but even the students who do not plan to join band benefit greatly from learning recorder skills in music.

This year, we will be purchasing **1 recorder package** for each 4th grade student. This package includes a recorder, a protective case, a neck strap, and a thumb spot -- all of which they will be able to take home at the end of this school year and keep. Each student is expected to buy this package for a **fee of \$5.00**. If there are extenuating circumstances regarding your payment of this fee, please reach out to me by phone or email (see below).

Kids are kids and sometimes things happen, therefore if a recorder gets lost or broken, a replacement recorder without accessories can be purchased at the time of the incident for an additional **fee of \$3.00**.

Payments can be made in the form of cash or check. Checks should be made out to **Slippery Rock Area School District** with **SRAE Recorders** in the memo line. I ask that you please be prompt with your payments and/or reaching out to me, as recorders cannot be ordered until payments are collected.

Thank you so much in advance for supporting your student's musical endeavors, and please do not hesitate to reach out to me with any questions or concerns.

Appreciatively,

Miss Greer Wardlaw
