Every rental starts out with a 4-Month Trial Period with a one-time initial payment. Within the trial period, a protection plan is available and you may return at any time. There is also no long term commitment to the rental, whether it may be two week or two years, you may return at any time.

## **FREE SCHOOL DELIVERIES**

BMC takes weekly trips to over 30 school districts in the area. If you are in need of books, accessories, or repair, just call one of our two stores and we can bring those items to your school!

## **PROTECTION PLAN**

With every rental, we offer an Optional Protection Plan for an additional small fee per month. This plan covers accidental damage, fire, or theft. This protection plan is available at the time of rental.

## **IN-SHOP INSTRUMENT REPAIR**

Before every rental goes out to a student, each instrument is professionally inspected, adjusted, and cleaned for a optimal playability. We also have a full service repair shop with highly-trained band & orchestra specialists for your personal instruments. Our newly renovated repair shop is now equipped with an ultrasonic cleaning tank!

## **RENT-TO-PURCHASE NEW**

With every monthly rental payment, you will be accumulating equity towards the purchase of a brand new instrument. You may use your discount, up to the maximum, to purchase any new band or orchestra instrument. When deciding on a new instrument, we highly encourage the student to try several different models in order to find the perfect fit for them!
